

# David Feiling Salon Massage/Facial Membership

**Print Name:** \_\_\_\_\_ **Phone #:** \_\_\_\_\_

Here at The David Feiling Salon, I have decided to make massage/facials more affordable for clients to receive massage/facials more often. With my massage/facial membership you agree to pay for one 60 min. massage/facial a month for three months at a rate of \$59 per swedish massage or european facial. **The way it works is, at the end of each month I will bill your credit card for the cost of one 60 min. massage or european facial, beginning at the time you start the membership if you have not booked your appointment and come in for that month. Massages/facials are not transferable and cannot be carried over to other months in the membership. If client is unable to make it in for their massage/facial one month, they forfeit the service that month and are still billed for the service. Clients are responsible for scheduling their appointments ahead of time to ensure a monthly appointment.**

Other benefits with the membership are that, once a member, you can purchase massages or facials for friends and family at your discounted rate and upgrade your swedish massage/facial for any other types of massages/facials or enhancements (for additional cost). If no upgrades are needed and you want to just stay with the swedish massage/european facial, but would like to receive a massage/facials more often than once a month, you may and will always only pay \$59 instead of \$80 during the duration of the membership. So with this membership you are saving \$21 each massage. Plus earn free massages and upgrades, retail discounts and more.

By signing below, you agree to the terms of the membership and are authorizing The David Feiling Salon to bill your credit card as stated above for service if not paid in full. Credit card information will only be retained for the duration of your membership and then shredded thereafter.
